

## **Carter's PET DEPOT Doggie Daycare/Boarding Memo Sheet**

Carter's PET DEPOT interviews & tests all dogs before accepted as a member for boarding & daycare. We supervise all play to try our best that your pet has a safe visit, but as we all know, dogs play and sometimes non-aggressive, non-intentional accidents can and do happen. Please sign that Carter's PET DEPOT cannot be held responsible for a playground accident that may occur.
